

As-Suffa Youth Worker Job Description

INTRODUCTION

As-Suffa Trust is an establishment working to make a difference with Islamic education and Outreach. Our aim is to convey the pure teachings of Islam through rigorous and traditional scholarship, by utilising modern teaching methods and creating a nurturing environment where students are supported to achieve their full potential.

ADVERT

We are looking for a creative and determined individual who is passionate about doing the right thing for young people.

You will want to work with young people on their realities and recognize their feelings, strengths and choices.

With a strong sense of your own identity and want to reassure young people by building stable relationships

You believe in young people - and you want to empower young people to gain the skills and self-belief they need to redefine their futures.

Work flexibly, including evenings and some weekends (20 hours per week)

6 month contract - £12.60 per hour

RESPONSIBILITIES

- Take day to day responsibility for updating assessments and plans
- Provide individual support to young people
- Facilitate and lead on group sessions
- Be responsible for formulating and implementing our summer youth programme.
- Support young people to reflect on progress and achieve good outcomes
- Identify, support and prepare young people to participate in other participation opportunities within the community.
- Identify, support and prepare young people to participate in youth provision beyond this Project to steer policy, plans and reports
- Have the ability to support, challenge and actively involve young people, families or professionals appropriately and successfully support processes to match young people to volunteer mentors

PERSON SPECIFICATION

- Work creatively and flexibility
- Be values driven and offer relational support
- Be available to young people to discuss worries, celebrate achievements and have positive impact on their life

AS-SUFFA

- Identify the needs of young people after referral and hold a caseload of young people who require support
- Engage young people, understand their starting points, and support them to take ownership of their hopes and plans
- Keep accurate records especially relating to the safety and wellbeing of young people and capturing their progress and achievements
